

Welcome to Barcelona Paintball Events

From Barcelona Paintball foundation on 1994, multitude of companies and entities of all type have participated in our activities of Paintball.

Top executives, commercials and well known sportsmen have enjoyed the practice of a day of Paintball, living a different day enjoying and discharging the whole accumulated estrés in an amusing way. The characteristics of the game allow to appreciate the individual and collective abilities of the participants: personal initiatives, anger, strategy, intelligence, improvisation, team leadership; being considered the Paintball one of the most effective activities to extract conclusions in the formation of company collectives, organization of activities "Outdoor" for corporate events or as company incentives.

Barcelona Paintball is formed by a human team with a great experience in the realization of activities of active tourism and it has some exceptional environment in full nature and very close to Barcelona. We have an area of 12 Hectares that allow us a great capacity of activities.

Deboted for companies we offer organizing encounters of a day of duration in an environment outside of the labor one, combined with activities "Outdoor" like adventure sports, orientation games "Gymkanas" and games to motivate the work in team “Teambuilding”.

We also supplement, with the organization of foods outdoors always looking for an innovation air like they can be medieval parties, popular fideuas, etc. We also negotiate the possibility to incorporate actors that energize the day under a "Performance" of humor that gives a more festival air to the activity.

The years of experience in organization of singular events gives us a wide range of possibilities to offer you our new "Packs" where it is included as much as it is necessary for a complete and different day to enjoy.

If you want to organize an event to foment the communication among your employees, to motivate or simply to carry out a different day all together, find the one that better one should meet your needs and if you want that we personalize your day, contact with us with no obligations!.
